President's Message

I am so grateful for all the women who have stepped up to leadership positions on the Broward Women's Alliance Executive Board. We are off to an impressive start. If you have any interest in becoming more active and joining the Executive Board, please contact me or any of our other BWA Executive Board members.

It is an important year for women. In 1920 with the passing of the 19th Amendment our grandmothers and great-grandmothers secured our right to vote. One-hundred years later women in our country have accomplished many things our grandmothers could only imagine. In BWA I feel we play an important part in lifting women up through our scholarship program. I hope you feel that way, too.

I would like to take just a moment to gently remind everyone that our monthly meetings are usually very tight for time. Let's all do our part in being respectful of each other's time by keeping our introductions short.

If you wish to bring another non-profit's events to the membership's attention, please bring collateral materials for each table. So many of our members have multiple charitable commitments. By distributing invitations/announcements at each table, we all will be able to share the information.

Let's make this an amazing year for our scholarship recipients and our members!
